

Going PRO Talent Fund

Companies benefiting from Going PRO Talent Fund Awards in Michigan Works! West Central's coverage area

Mason County

CAM Sales
Carrom Company
Change Parts
FloraCraft
Great Lakes Casting
Hastings Tool Machine Company
House of Flavors
Indian Summer Cooperative
Kaines West Michigan
Metalworks
Occidental Chemical Corporation
Pere Marquette Shipping
ProAct Services
Safety Decals
Serve Pro
SyncWave, LLC
UACJ Whitehall Industries
Urka Auto

Mecosta County

Hamtech Inc.
Leprino Foods
Metron Health
Original Footwear
Simonds International
Spectrum Health

Osceola County

AMG Operations LLC
Cargil Salt
Crossroads Mobile Maintenance
H&R Screw Machine Products
Kraftube
Logic Plus/Eckhart
Northern Precision Products
Reed City Group
Ventra Evart
Vitro
Wolverine Power Supply Co.
Yoplait

Lake County

Peacock Industries

Newaygo County

Bucher Hydraulics
Dynamic Fremont LLC
Fremont Lanes
GM Wood Products
Harbison Walker International
Magna Mirrors of America
Nestle - Gerber Products
Sandmold Systems

Oceana County

Arbre Farms
Arctic Foods
GHSP
Media Technologies
Michigan Freeze Pack
Peterson Farms
Valley City Metal Products

Since its inception in 2014, Michigan Works! West Central has helped secure more than **\$2,000,000** for more than 50 different companies in our six-county service area! That equates to the training of more than **2,000 workers**, including funding for **57 U.S. Department of Labor registered apprenticeships!**

Shelly Keene

Approved Training Examples from Previous Talent Fund Awards

5S	Food Safety Preventive Controls	Process Optimization
8D	GE Jenbacher Operator Certification,	Process Safety Management (PSM)
ABS Welding	Extended Access	Process Technician
Advanced Networking	Geometric Dimensioning and Tolerancing	PLC Programming (Intro, Basic, Advanced)
Air Pollution Control Systems	Hazardous Waste Operations & Response	Project Management
Alphacam	Homag Operations/Maintenance	Pump and Seal Operator
Ammonia Operator	Hydraulics (Basic, Advanced)	QMS 9001
Anhydrous Ammonia	HVACR	Quality Assurance
Assembly Technician	Industrial Electrical Controls	Quality Control
AutoCAD	Injection Molding	Quality Engineering
Autodesk Inventor	Instrumentation Calibration	Quality Software
Automation	ISO 9000	Quick Response Manufacturing
Band Saw	Kinetix 6500 Troubleshooting	Radan Nesting and Bending
Behavior-Based Safety	Lathe	Respiratory Protection
Blueprint Reading	Machine Guarding	Risk Management Programs (RMP)
Boiler Maintenance	Machine Repair Apprenticeship	Robotics
CDL Licensing	Machinist Apprenticeship	Root-Cause Analysis
Centrifugal Pumps, Seals, Bearings	Maintenance Apprenticeship	Rotary Dryers/Coolers Maintenance
CNA	Maintenance Technician	RS Logix 5000
CNC Operating	Manufacture Resource Planning (MRP)	Safety Rigging
CNC Programming	Mechanic Apprenticeship	SATRA Leather Grading
Computer-Aided Design (CAD)	Mechanical Apprenticeship	Sensor Operation
Computer-Aided Manufacturing (CAM)	Mechanical Drive Systems	Server Virtualization
Continuous Improvement	Mechanical Maintenance	Standard Operating Procedures
Coordinate Measuring Machine (CMM)	Mechatronics	Statistical Process Control
Department of Transportation Cert.	Metal Piping Systems/Installation	Steam Maintenance and Operation
Drill Press	Metalcasting	Thermal Imaging
Electrical Equipment	Metallurgy	Thermographic Applications
Electrician Apprenticeship	Metrology	Threshold Determination
Electricity	Mold Maker	Tool and Die Repair Apprenticeship
Electronics	Mold Maker Apprenticeship	Totally Integrated Automation Portal
Emergency Planning	Molding Technology	Programming
Engine Diagnostics	OSHA 10	Tower Rescue
Enterprise Resource Planning (ERP)	Packaging Equipment	Tower Rigger
European Electrical Schematics Reading	Painting Tech	TPP Programming
FAA Test Prep	Panel Saw	Troubleshooting
Fabrication Tech	Pneumatics	Utility Technician
Foam Fabrication (Dry/Wet)	Powder Painting	Variable Frequency Drive Maintenance
Food Defense Coordinator	Powered Industrial Trucks	Welding (Arc, Oxy, Sanitary/Food, etc.)
Food Safety Modernization	Printing Tech	Wire Forming
